Helping Reunite Owners with Lost Pets

We've been a bit concerned lately with the number of cats going missing lately, or being found, and being difficult to identify. With this in mind we'd like to help improve the situation by offering you

**Free Microchip
Friday!**

Friday 21st August

CONDITIONS APPLY

We will give you a free 15 min consult, animal health check, and microchip, saving you a massive \$100!!!

The catch is, you MUST pay to register your pet on the New Zealand Companion Animal Register(\$30). This means, that wherever your pet gets found, it can be identified by its chip, and any vet clinic can check the database to find your details.

This is the ONLY national register, and any animal health professional can access it. Meaning if your pet gets brought into us, we can scan the chip, search the register, and be calling you all within a matter of minutes.

WITHOUT this facility, it can take days, weeks, or in some cases we are never able to locate the owner. Pretty sweet deal eh?

CALL us 4783880 or email

Penguin Safety

We are happy to be supporting our friends at Wellington Zoo and Forest and Bird with their Places for Penguins initiative;

Take the lead!

Support places for penguins by keeping your dog on a lead around the coast.

To find out more :

Supporting ADNZ

This month we are also supporting New Zealand Assistance Dogs Trust.

If you are visiting us please consider a donation to this very worth cause, they do an AWESOME job and their dogs are totally transforming the lives of children around the country.

Check out the amazing job they do at:
