

REMINDER!

Putting your cat or dog into boarding over the holiday period??

Make sure vaccinations and flea control are up to date before your pet goes in, most boarding facilities have a two week stand down period after vaccination so get this done now to save stress a few days out from your holiday.

HOT Tips

Don't forget to stock up on food and / or medication for your pet over the holiday season.

Please give us **2 days** to process and medication orders.

 **Emergency Service**

 **House Calls**

 **Free on-site parking**

 **Stockists of Hills
Science Diet**

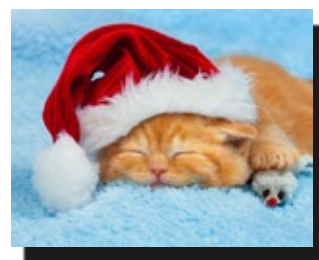

Seasons Greetings ooo

DECEMBER 2014

And the silly season is upon us! and with it, take time to consider the wellbeing of your pet, especially dogs, if you are leaving them in the car make sure all the windows are down, the temperature can become unbearable very very quickly.

Be wary of putting chocolate under the Christmas tree if your have a pooch in the house, it is toxic to the wee ones, and at best causes vomiting or diahhorea in the bigger ones. If you want to spoil your pet this Christmas, make sure its an animal treat, there are lots of great varieties available that won't cause upset tummies.

If you are going away, make sure you have trustworthy people caring for your pets if they are not going into boarding, you don't want to be disturbed on your holiday with a call from the pound! We will be here for you over the holiday period every day except the statutory holidays. On those days, and after hours keep in mind that we are members of the Wellington After-Hours, so you have access to a high standard of veterinary care 24/7.

We would like to take this opportunity to thank each and every one of you, you are all wonderful clients, and we have thoroughly enjoyed looking after you and your pets this year. The year really has flown by, we have seen some really heart-breaking goodbyes to much loved family pets, witnessed some new deliveries, had more than a few extremely lucky cats who lost one of their nine lives but lived to tell the tale, and the list goes on. Its been an awesome year, and thank you for entrusting your pets to our care.

We hope you and your family have safe and happy Christmas, and wish you all the very best for 2015, from our family to yours, Merry Christmas.
